

Donations of Publicly Traded Securities to Canuck Place Children's Hospice

Thank you for your interest in donating securities to Canuck Place Children's Hospice. Through a gift of securities (stocks, bonds, segregated funds and mutual funds), you can make a cost- and tax-effective donation to care for the children and families that Canuck Place supports. Publicly-traded securities forgo the capital gains tax that becomes payable if you were to sell the securities on the market, making your donation a more meaningful impact on your investments.
